A Keller Education is Focused on Quality.

Keller provides online programs for busy working professionals to help save time and maximize schedule flexibility while earning a high-quality education:

- Convenient online programs: Every master's program is also available online allowing students additional flexibility to use the time and place most convenient for them to study.
- 16-week terms: With 3 semesters per year, each with two 8-week sessions, students can choose to take a session off to accommodate heavy work schedules, or study year-round to finish faster.
- Graduate certificates: Students looking to develop their expertise in any of the areas covered by Keller master's degree programs can earn a graduate certificate in substantially less time.

Graduate degree programs include:

- Master of Accounting and Financial Management
- Master of Business Administration
- Master of Human Resource Management
- Master of Information Systems Management
- Master of Network and Communications Management
- Master of Project Management
- Master of Public Administration

To learn more about these graduate degree programs, please complete the information below. A Keller advisor will contact you with full information.
