Vest Pockets Replace Your Carry-on Bag

With 22 hidden pockets and compartments, the SCOTTEVEST Travel Vest makes airport security a breeze. Just take off the vest and send it through the X-ray with all your gear safely stored inside. The garment's Weight Management System balances the load and NoBulge pockets give you a streamlined look. Don't even bother to pack a suitcase for this trip, now you can wear your luggage in style. (**Scottevest.com**, US\$100)

Tripod Legs Provide Steady Shot Anywhere

The Gorillapod SLRs flexible, wrappable legs provide a steady camera shot in virtually any environment, and its compact size means it can go anywhere and everywhere you do. The tripod's more than two dozen flexible leg joints bend and rotate 360 degrees, and its rubberized ring and foot grips provide enhanced stability in difficult terrain.

Whether you're shooting time-lapse photos with your SLR or capturing videos with your camcorder, the Gorillapod SLR is the perfect companion for your next site visit. (**Joby.com**, US\$44.95).

Smartpen Records While You Transcribe

The Pulse smartpen captures handwriting and simultaneously records audio and synchronizes it to your writing. Tap on your notes to replay what was recorded at the exact moment you were writing. Never miss a word you hear, write or speak. Fast forward, rewind, jump ahead, pause and even speed up or slow down audio recordings. Even customize the smartpen with additional applications including language learning tools and games. (**Live scribe.com**, from US\$149)
