To Whom It May Concern,

I had the pleasure of working with Mark this past year on our schools fundraiser. Mark provided us with excellent support, as this was our first year using him and his company.

He was very easy to get a hold of via the phone or email. The fundraiser manual Mark provided us with was very helpful in keeping us organized and the prize program he offered was very success with our students (well worth the investment). We made more money on our fundraiser than we anticipated and we are looking forward to next year increasing that amount.

I can highly recommend Mark and his company as a solid and reliable fundraising team.
