To Whom it May Concern,

As President of the Chestnut Ridge Middle School PTO, I would like to commend Mark Kosoglow on his excellent interpersonal skills and commitment to our school, staff, and parent teacher organization.

Mark Kosoglow and the Great American Fundraising Company have been a very instrumental part of 5 successful years for our PTO. This success is a result of Mark's high visibility at our school along with his commitment to our goals. He excels at treating each person he comes in contact with at our school with respect and recognizes their value to our organization.

Mark always spends the necessary time and effort guiding our PTO in fundraising while helping us develop new programs without reservation. His knowledge of what motivates middle school students to participate in fundraisers combined with his willingness to try new ideas has become invaluable to our parent teacher organization.

Our school is fortunate to have Mark Kosoglow's positive energy along with these above mentioned outstanding skills managing our fundraising efforts. We appreciate Mark Kosolow's dedication and are looking forward to many more fundraising efforts with him.

Sincerely,

Barbara Dikum
