

**We're going to make you think.**

**I would like to invite you to a talk at  
the Holocaust Memorial Center on  
Wednesday, November 18th, 7:30 pm.**

As the general counsel on behalf of the Major Warren R. Lambert Collection, I will be speaking about our plan to develop and build a traveling exhibition featuring the Collection, a stunning personal archive of the War Crimes Tribunals conducted by the US Army in 1945-47. It will premiere its world tour at the HMCZFC in Detroit, the first Holocaust Museum in America.
