Re : CUC Follow-Up Briefing on Stipulated Order for Water/Wastewater

This is to inform you that on Monday, June 1, 2009 at 10am in the Senate Chamber, Mr. Tony Muna, Executive Director for the Commonwealth Utilities Corporation, and Mr. Bruce Megarr, CUC Deputy Director, will be providing an update on the progress CUC has made thus far towards compliance with the federal stipulated order for water and wastewater.

This presentation will be a follow-up to Mr. Megarr's presentation delivered on February 17, 2009. Since that date, on March 11, 2009, the stipulated orders were formally entered by the federal court, and the clock has begun ticking for CUC to begin meeting deadlines required under the orders. The next immediate deadline for certain deliverables is June 11, 2009.

I urge all members to attend this critical presentation.

Thank you very much.

Sincerely,
